MUCC Club Affiliate Proposal

Michigan United Conservation Club (MUCC) has changed it's rules as to where if a Sportsman's Club is to remain a MUCC Affiliate it must have 100% membership participation in MUCC. This will require that all club members Social, Associates and Full to join MUCC. The cost of the limited MUCC membership would \$5.00 a club member. If a member wants a Michigan Out of Doors Magazine mailed to him the additional cost would be \$20.00. These additional funds provided to MUCC would allow them to continue their efforts and programs geared towards preservation of outdoors activities.

The \$5.00 paid to MUCC for each member could be made up as an increase in dues if the majority of us agree with the proposal. Thus your yearly dues would increase \$5.00. The Full members are asking for input in writing, preferred, or open discussion so next years dues can be adjusted should the proposal pass. The Full members will vote on this proposal during September's business meeting.
