#### Opening to the Public

Qua-Ke-Zik has decided to make a better effort in opening up to the public on Sundays. We will be advertising our opening for Sunday April 3 thru Sunday October 30. In order to get this to work we are asking two members to work from 9:30 to 3:30, shooting will be from 10:-00 to 3:00. It will require a Full or Ex. Full member and an additional member to sign up and work the shift. You can contact Ron Boehm at the club and sign up with him. We will not be open during Holidays weekends, Easter, Memorial Day, Fourth of July or Labor Day. The club will be paying each worker \$50 for the day's work or you can apply the hours of that day to your service requirements but not both. Cost to the Public will be \$4 for Trap or Skeet and \$10/hour for the

rifle range. It will be first come first serve with no preference to club members. Club members will pay the reduced Club rate. Please show your dedication to Qua-Ke-Zik and participate. There are 28 full member and only 27 Sundays to cover.

#### Game Dinner

The Annual Game Dinner will be at 6PM, Saturday February 26<sup>th</sup>. There will be a variety of venison, fish and wild fowl. You never know what will end up at this dinner and you won't go away hungry. You don't have to bring wild game, we are always willing to try your favorite dish. We can always use pies, cakes or any kind of desert. Just bring your tableware. Coffee and soft drinks will be available. If you want anything stronger you will have to supply that as well. Guests are always welcome. Come for the good times and to meet new people or just get to know some of the members better. Dinner at 6:00pm

### Winter Leagues

Winter Skeet, Trap and Pistol Leagues have started. If you are interested, see Charlie Schwaiger and he'll get you set up for the Leagues you wish.

### Archery Range

The Archery Range is open. Get out of the cold and shoot inside. Cost \$1 for adults. Youths 17 and under can shoot for free.

### Pistol Range

It has been brought to our attention that someone has been using the range and shooting outside of the building. This is not acceptable. You are to use the facilities as they were designed and shoot from inside thru the open window. If you wish to shoot standing or at a closer range there is a movable target located on the rifle range for this use. In addition if you are the last person using the pistol range then check that all windows and doors are shut and locked. This is also becoming an issue.

### Rifle Range

The rifle range is open only to club members. Should a non-member (friend) want to shoot there is a \$5 fee and you as a member must be with them on the range. Keys are not to be given out or used by anyone but club members.
