The Fall Party was such a success!! Congratulations to all the winners. Special Thanks to every person who helped in some way to make the night great!! The Set up crew who gave up their Friday nite to clean the club and get everything ready, the speedy kitchen crew who served the meal in record time!! Everyone who sold tickets for the event & went out and solicited gifts from local merchants. We can't forget The Floor Ticket sellers, the Announcers, the walk around sellers. Thank you to Larry Hescher , Scott Young & crew for slaving over a hot grill and cooking those steaks to perfection. Zach your poster is great !!! And to Ray & Rick who spent so much time organizing & worrying. Last but not least the clean up crew. What a Good Time with good people. Again Thank you and Congratulations on a job well done. You are appreciated!!!
