ROUND ROBIN

Round Robin shoots will begin in
April. We have the first shoot and
hopefully, we can schedule it toward
the end of the month to avoid bad
weather. These are good fun shoots
where you can shoot at other area
clubs and get to know people from

other clubs. We use the top five trap
and skeet scores to go towards the
team scores. There are also individual
honors for the shooters. Your score
can help us win the club trophy back.
We will publish the Round Robin
.schedule as soon as available

BUCKET SHOOT

Starting in the early 50's there was a
trap and skeet shoot between Creston
Gun Club and Qua-Ke-Zik. The
trophy was a wooden bucket with the
winning club's name on it for the
years shot and the winning club held
possession of it until the next shoot.
This shoot fell to the wayside until the
early 80's when we had another shoot
where Creston retained the bucket. A
few years ago, we again started
shooting for the bucket. We won it
back and then Creston took it back
last year. We are going to have
another Bucket Shoot this year, but
the date has yet to be determined. We
will put it in the newsletter as soon as
.we have a date
